In which years did you attend the outdoor market?

☐ As a season vendor:

☐ As a drop in / day vendor:

This season:

☐ I would like to be a day vendor

What date(s) do you plan to attend the market?

(please confirm this date / these dates at the latest on the Thursday preceding the market day before 8pm)

☐ I would like to be a season vendor

(Please note that the number of spots available for season vendors is limited)

As a season vendor, you are guaranteed a spot at the market. Whether you are assigned a designated spot depends on your seniority. Spots on the 'shady' south side of the market will be allocated to vendors with perishable products and those with more seniority.

If you will be attending as a day vendor, please note that acceptance does not guarantee a spot every Saturday. Some Saturdays may be fully booked, and we may not have space available on all the dates you requested.

What date do you plan to start attending the market?

(please let us know if you're unable to attend a market that you're expected to be at the latest on the Thursday preceding the market day before 6pm)

If a day vendor wants to become a seasonal vendor, she/he can do so by the fourth market of the season (as long as there are season spots available). The vendor must then choose to either transition to a seasonal vendor (and pay the remaining balance for the summer) or remain a day vendor and continue paying the daily rate until the season ends.

Vendor Fees

Day vendor fee, one booth: **\$25**

Season vendor, one booth: **\$350**

Season vendor, adjoining booth, each: **\$250**

The application committee will review all applications by February 28 at the latest. Please do not send your payment until you have received confirmation of your acceptance.

Additional notes:

☐ I have read and will abide by the Rules & Regulations of the Armstrong Farmers' Market.
